Dear Ruth,

RE Testimonial

I am happy to provide the following statement as a testimonial of the excellent service that you have provided for us over the last few years:

Mattinson Partnership has assisted us with a number of appointments across our UK offices over the past 4 years. We have found Ruth and her team go to great lengths to understand our recruitment requirements and they have developed a good understanding of our business.

At ADAS, we have been impressed with the quality of candidates Mattinson Partnership recommend for interview, and it is clear they have worked hard to identify the skills we look to bring into the business.

We have been very impressed with the service provided by Ruth and the team and would have no hesitation in recommending their services.

Thanks again for all the help,
