Cundall and Mattinson Partnership

We have been working with Ruth Prescott and her team at Mattinson for a few years now. I have always found Ruth's approach to be personable and professional, taking time to thoroughly research roles and never suggesting candidates that were not appropriate to the role required.

Ruth's background in environmental consultancy gives her an invaluable insight into the world of Acoustics, which many Recruiters often cannot grasp. This gives me the confidence that candidates presented are worthy of our attention.

I would thoroughly recommend Ruth and her team as reliable advocates in the search for candidates at all levels, and look forward to continuing our relationship over the coming years.

Yours faithfully
For and on behalf of
Cundall Johnston & Partners LLP
