Client Testimonial

Mattinson Partnership has supported The Ecology Consultancy in its staff recruitment for nearly 10 years. Over that time we have developed a close working relationship with Ruth Prescott who from the very start made a point of learning about the company and its culture. As a result the candidates recommended are always those who would be a good fit with the company and many of the successful candidates go on to have long and successful careers with us. It is always a pleasure to deal with Ruth and her colleagues and we know we can rely upon them to find the best candidate for the job.
