Re: Mattinson Partnership - testimonial

Dear Sir/Madam,

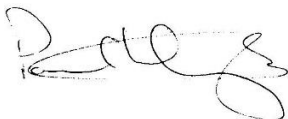

We appointed Mattinson Partnership to our recruitment Service Level Agreement back in 2016 and after working closely with them over the last 2 years I am happy to provide the following testimonial of their work:

Mattinson Partnership have always taken that extra bit of time and effort to fully understand our recruitment requirements. This was initially borne out through a kick-off meeting where Freddie and Ruth met with me and we had an in depth discussion around where our business was going, our core values, company culture and the type of people we wish to recruit. Subsequently, with each new recruitment request the Mattinson Partnership team have worked with us to fully develop their understanding of the scope of each role, which has led to their candidates being of an exceptionally high standard. They are able to talk to candidates about our business with passion and expertise, which enthuses the candidate before they get to interview, and really assists in making sure that they are an ideal fit for our business.

We have developed an excellent working relationship with Mattinson Partnership and are happy to state that they are the 'go to' recruitment firm for our Consents & Engagement Practice.

We would have no hesitation in recommending their services.

Yours sincerely,

Paul Humphrey
