Dear Dominic

**STRUTT & PARKER AND MATTINSON PARTNERSHIP**

As we near the year end I thought I would drop you a quick line to thank you for all of the hard work that you have put in over the last 12 months or so in securing two quality professionals for our expanding Development and Valuation teams in the South East. I have been greatly impressed by your diligence and perseverance in securing both Chris Francis and Iwan Jones and for that we are most grateful.

As we enter a new economic climate it may be that there are fewer such appointments on the immediate horizon but no doubt our industry will see further growth in the fullness of time and I hope that we can work together closely going forward to facilitate that.

Kind regards

Yours sincerely
